Independent Achievers Network

**Red Deer, Alberta
2009—2010**

Independent Achievers was founded in 1992 by two women that were seeking networking opportunities. Our membership has grown to the organization you see today.

Women have joined our network to meet other successful women, to make business contacts and to make friends.

The purpose of the network is to bring together women from all walks of life for personal and professional growth, to initiate contact between women and reduce isolation, to provide a comfortable environment for sharing common career and social concerns and to offer other opportunities for self-development.

Independent Achievers is a non-partisan, non-religious, non-affiliated group and does not have any particular single focus interest. It does not lobby for any cause or idea.

Luncheon meetings are usually held on the second Thursday of each month. The meetings feature guest speakers and plenty of opportunity to network with other local businesswomen.

Luncheon meetings cost \$20.00 for members and \$25.00 for guests and include lunch, GST and room rental.

Reservations are required by 12:00pm the Monday prior to the meeting by calling our Reservations Coordinator—Robin McKay @ 403.343.7899 or EnergyEffects@shaw.ca

Membership fees entitle the member to their Business Profile on the website, to display promotional materials at our luncheons on our share table and the opportunity to participate in any of our other activities.

Independent Achievers is run by a group of volunteer Executive Directors elected at the June annual meeting.

Motto: Try a Member First!

"Networking is the reciprocal process of getting acquainted for the purpose of doing business. It is also a great way to find friends, solve problems, achieve goals & have a good time."
-Unknown

Members can become involved by sitting on the Executive Board &/or other committees. A member wishing to assist or offer new ideas may contact any member of the Executive. All members are encouraged to actively pass along information, share skills and ideas and welcome newcomers to the group by inviting guests to our luncheons.

Mission Statement:

To provide education and support to members in areas of business and personal growth.
